FOR IMMEDIATE RELEASE

LDSI ANNOUNCE THE APPOINTMENT OF MICHELLE GARBER ZWEIG AS MANAGING DIRECTOR LDSI LOS ANGELES

Los Angeles - 29 Jun 2009 – London-based Legal Document Services International (**LDSI**), the world's first truly-global provider of a complete range of litigation support services, announced today that it has appointed Michelle Garber Zweig to lead the company's operations in Los Angeles.

Ms. Garber Zweig's consistent record of success directing operations, technology innovation, sales/marketing strategy and strategic planning within the litigation support services industry spans nearly twenty years. Among her many accomplishments is the start-up and management of one of Southern California's largest and most highly-regarded litigation support companies, LegalSource, which she later sold to UniScribe Corporation. Of sterling character and reputation, Ms. Garber Zweig is well-known to California's legal and litigation support communities, where she has served on various corporate and non-profit boards of directors, raised money for charitable organizations and worked as a consultant to leading legal technology companies.

LDSI launched its operations in Los Angeles in February, 2007.

"In less than 2 years, LDSI Los Angeles has rapidly garnered a strong local reputation for supreme quality and customer service, earning the trust of leading law firms and corporations in the Western United States. One of the great rewards for this hard work is attracting top talent. Michelle Garber Zweig is a wonderful example of this. As LDSI continues its growth as a leading global player – with new operations AustralAsia and expanded capabilities in Europe - - Michelle is perfectly-equipped to strengthen our company's global reach, along with LDSI Los Angeles' local touch".

Ms. Garber Zweig adds “I am looking forward to building upon the solid foundation LDSI have cemented in Los Angeles as a top-tier litigation support company. Working with LDSI staff and clients, I am excited to do my part in leading LDSI to be the “Best in the West”.

About LDSI

LDSI have built the world’s most forensically-sound infrastructure for collecting, processing and hosting data for litigation, investigations and corporate transactions – securely and cohesively, around the world. Through full-service operations in the United States, United Kingdom, Europe and Austral-Asia, **LDSI** provides a complete range of legal document services. Core offerings include consulting, data recovery; electronic discovery; project management; hosting and review platforms; staffing, training and skills certification for litigation technology professionals.
